Caring for Our World: Human and Animal Communities

GRADES K-4 WORKSHEET

Print this worksheet and write in your answers below. If you do not have a printer, write your answers down on a blank sheet of paper.

1. Why do you think it is important to take care of the Earth?
   
   Answers vary.

2. Share one way that you can help to take care of the Earth.
   
   Answers vary but may include picking up trash, learning how to grow fruits and veggies, and turning off lights.
3. An ecosystem is made up of all of the living and nonliving things in an area. What is one example of an ecosystem?

   **Answers vary but may include rainforest, coral reef, or one's neighborhood.**

4. To take care of the Earth and others, we need to take care of ourselves! Circle the things you do to take care of yourself.

   - **Drink water**
   - **Read**
   - **Rest**
   - **Exercise**
   - **Eat fruits and vegetables**
   - **Play with friends**

5. Goats slow down and wait for an elderly or injured herd member. Circle one.

   - **True**
   - **False**

6. How did Doctor the pig help his friends?

   **He licked other pigs' wounds and cuddled other pigs to help them stay warm.**
