Animal Tales: Meet the Turkey Flock

GRADES K-4 WORKSHEET

Print this worksheet and write in your answers below. If you do not have a printer, write your answers down on a blank sheet of paper.

1. What helped Sandy the turkey feel better and heal?

   Answers vary but may include food, water, medicine, foot surgery, and her friendship with Jess the caregiver.

2. What is one thing that humans have in common with turkeys?

   Answers vary but may include that turkeys have individual voices, unique personalities, and love music.
3. Write one new fact that you learned about turkeys.

   Answers vary but may include that male turkeys’ heads change colors depending on their mood, mother turkeys raise their babies together, the home range of a wild turkey flock can extend up to 9,000 acres, and turkeys can fly up to 55 miles per hour.

4. What happens at Farm Sanctuary’s Celebration for the Turkeys event?

   The turkeys are given a feast of pumpkin pie, squash, salad, and cranberries!

5. Why do you think it is important to take care of turkeys?

   Answers vary.
